

Tobermory Dive Weekend - 12-14 Aug 2011

Accommodations will be at "Tobermory Lodge. Show up Friday afternoon or evening and register at Fathom 5 park office (additional cost of \$12 for park pass). Do a leisurely shore dive at the tugs. Followed by diner in one of Tobermory's fine restaurants. Then relax at Tobermory lodge where they have a completely renovated facility with pool and hot tub. To keep costs down I have arranged a bunk house style of arrangement where you will be sharing a room in the group chalet. The Chalet below on the upper left three bedrooms two pull outs with cooking facilities and will sleep a total of 10 people.

Wake up for a full breakfast at the lodge and board the boat "Teak Bay" in the main harbour. The day will consist one advanced dive and two general dives with a lunch of BBQ sausage on a bun and salads (included). Diner will be your choice of the fine restaurants or cook something up at the Chalet. Sunday after breakfast we will board the "Teak Bay" again for a half day charter (dive sites to be determined). In the afternoon you can book an additional charter through one of the dive shops. There are plenty of other activities in Tobermory should you wish to check out the tourist information on the web.

Total
\$265

NOTE: Final Pricing may vary slightly.

This trip is based on 12 people attending. Should people wish to vary portions of this trip, price will remain the same (see what's included). I will try to accommodate special requests.
